PROFILE

I am a Fullstack Javascript Developer with experience in leading projects and collaborating with teams to ensure robust and high-quality solutions within the requested timeframe. I am patient, proactive, and communicative, enabling me to effectively work within multidisciplinary teams and meet the deadlines required by the company or client. I am eager to join a dynamic team and contribute my skills and experience to drive the company's growth.

EXPERIENCE

Fullstack Developer

Jan 2021 - Now

AETO, Remote (Company based in Mexico)

- Frontend lead
- Designed, developed and deployed projects from scratch for numerous clients
- Successfully connect the frontend with the backend creating robust, high quality solutions.
- Adding new features to existing projects, including React Native apps
- Successfully migrated our front-end stack from Alpinejs to Reactjs
- Bug fixing!

Freelance Frontend Developer

Feb 2019 - Jan 2021

Fiverr.com & Freelance.com, Remote

- Designed, developed and deployed products from scratch for numerous clients
- Deliver completed products before the deadline
- Meet with clients, understand their needs, interpret their requirements and transform them into successful software projects.
